Ten Acts for the Global Compact

A civil society vision for a transformative agenda for human mobility, migration and development
A civil society vision for a UN Global Compact for Human Mobility and Migration in TEN ACTS

Decent living conditions and access to justice
Act to ensure safe and decent living conditions and access to social services and justice for all migrants and refugees.

Education and skills
Act to provide quality education and developmental care for all children, and improve student mobility, learning opportunities, and recognition of skills and qualifications.

Inclusion and action against discrimination
Act to promote social cohesion and inclusion of migrants and refugees into societies and combat all forms of xenophobia, racism, and discrimination.

Transnational and sustainable development
Act to foster transnational connections and contributions of migrants, refugees and diaspora to sustainable development, and reduce transaction costs for remittances and investments.

Governance, implementation and monitoring
Act to create transparent, accountable and participatory mechanisms and means of implementation for rights-based global governance of human mobility and migration.

CROSSCUTTING ALL TEN ACTS ARE

A

The rights of children and primary consideration for sustainable solutions in children’s best interests in all policies, decisions and actions.

B

Gender-responsive policies that take into consideration the different needs, vulnerabilities and capacities of all migrants and refugees, and that ensure the full achievement of the rights and empowerment of women and girls.
