

**This exhibit** envisions to share information on how to strengthen the competencies required by policymakers and practitioners for overcoming some of the challenges on economic and social inclusion of migrants, refugees and diasporas. This is important for understanding the benefits of promoting entrepreneurship initiatives because of its nexus with sustainable development.

It will be focused on:

**Entrepreneurship for Migrants and Refugees: E-Learning Course**

<https://unitar-gfmd.squarespace.com>

**Policy Guide on Entrepreneurship for Migrants and Refugees**

[https://unctad.org/en/PublicationsLibrary/diae2018d2\\_en.pdf](https://unctad.org/en/PublicationsLibrary/diae2018d2_en.pdf)

**iDiaspora**

[www.idiaspora.org](http://www.idiaspora.org)

**The Knowledge Hub on Migration and Sustainable Development**

[www.migration-learn.org](http://www.migration-learn.org)

**Look Forward. Give Back**

<http://lookforwardgiveback.iom.int>

In addition, there will be material related to knowledge and skills to support entrepreneurs and communities as well as to contribute to facing the challenges of our times.
