Yellow fever vaccination is recommended to all travelers (national and international) who include in their travel itinerary or who reside in the provinces of the Ecuadorian Amazon (Napo, Pastaza, Orellana, Sucumbios, Zamora Chinchipe and Morona Santiago); as well as national travelers visiting countries with active yellow fever outbreaks, such as Brazil, Democratic Republic of Congo and Uganda. It is worth mentioning that travelers visiting these countries **must compulsorily present their international certificate of vaccination according**

to the rules of the International Health Regulations-IHR. The vaccination guidelines are aimed at all travelers, regardless of their immigration/administrative status (diplomatic, refugee, repatriated, among others).
